- Counting Aloud
- Reciting Alphabet
- Introduce Toddlers to writing skills
- Learning New Words daily
- Using words to communicate their wants and needs
- Using Pronouns (I, you, me, we, they)
Curriculum Theme

Each week our preschool teachers plan themed based educational, enriching and fun activities for the children and the activities are based on the following themes:

- **August**: Back To School
- **September**: Fall is Here/Grandparents
- **October**: Pumpkins/Fire Safety
- **November**: Family/Turkeys
- **December**: It's Christmas time
- **January**: Winter Fun
- **February**: Hearts/Dental Health/Black History
- **March**: Bugs
- **April**: Spring Time is Here
- **May**: Community Helpers

Center Events are also incorporated into our weekly activities. (see our Program Calendar)

Literacy in Our Classrooms

At selected times of the day, the teachers encourage the children to practice writing in their Journals. We also read stories throughout the day and post words throughout the classroom to promote a literacy enriched environment.

Recall Time

At the end of our preschool day, our preschool teachers have a small group time with the children to review what the children learned in class that day and discuss plans for the next day.

Biblical Based Activities

One of our goals is to train the children in the bible by teaching them up to 24 bible verses a year. At the end of every month, your child will receive a bible verse certificate for memorizing their bible verses.

**4's-5-year olds** -
- Conventional Knowledge
- Word recognition
- Writing words
- Kindergarten Readiness (Based on Mo Pre-K Standards)
- Reading
- Home Address
- Phone Number
- Geometric shapes
- Concepts of Time
- Counting coins

Learning Centers in Our Classrooms

Children learn through play and our preschool classrooms are designed to encourage the children to explore the learning centers. Each week our teachers plan theme-based activities for each learning center with an educational goal in mind.

Our Learning Centers are as follows:

- Reading Center
- Music and movement
- Art
- Science
- Math
- Dramatic Play/Home Living
- Sensory (Exploring with our senses)
- Cooking
- Computers/Technology (Tablets or Computers)

Circle Time

Circle time begins daily at 9:00am and we start our day by reciting the Lord's Prayer, reciting a bible verse, then discussing the daily activity, discussing the weather, class rules and having calendar time.

Center Time

After circle time, the children have 1-hour to explore the learning environment and during this time, the teachers also work with the children in small groups on developmental goals.

Our Core Curriculum Belief

We believe that children should be in a warm, loving nurturing environment that focuses on each child's: social, emotional, physical, intellectual and spiritual needs. Also, we believe that activities and classroom materials must be developmentally appropriate.

Our Preschool Curriculum is inspired by researched curriculum programs which inspire our classroom environment along with our daily schedule.

A Day in our Preschool Classrooms

Learning begins from the time your child walks in the door and your child’s day will consist of the following:

- Large Group Times (Circle Time)
- Socializing with other children and adults
- Exploring enriching learning materials
- Asking and answering questions
- Singing
- Physical activities
- Self Help skills (cleaning, etc)
- Recalling what we have learned (recall time)
- Writing (Journaling)

This is just an overview of what a day is like in our preschool classrooms. As you continue to read, you will see what our daily activities consist of.
